

4. Does anyone really wonder why Republicans look with a skeptical eye at the NAACP? Chairman Julian Bond once again **went on another rant**, saying, "The Republican Party would have the American flag and the swastika flying side by side." He also compared Bush's judicial nominees to the Taliban. I must ask, where's the outrage? Where's the condemnation from liberal leaders? Where are the headlines that accompany stupid statements by conservatives like Pat Robertson? Bond and the NAACP are a disgrace to America and ought to be repudiated by all those who care about racial equality and racial reconciliation. Memo to Chairman Bond-the 1960s are over.
